

Land Conservancy of San Luis Obispo County

Position Announcement – Seasonal (Temporary) Restoration Specialist

The Land Conservancy of San Luis Obispo County is pleased to announce recruiting for their **SEASONAL (6-Month, Temporary), full-time, Restoration Specialist** positions. Restoration Specialists are part of the Restoration Team which is responsible for on the ground implementation of our restoration projects. This includes: exotic species removal, habitat restoration, riparian rehabilitation, and dunes restoration. The work is performed in often difficult, yet beautiful, sand dune or stream environments.

The Land Conservancy of San Luis Obispo County is a private 501(c)(3) non-profit land trust with a mission to permanently protect lands having scenic, agricultural, cultural and habitat values through voluntary and cooperative methods. Founded in 1984, The Land Conservancy is a growing organization with a strong record of successful projects.

THE IDEAL CANDIDATE is a passionate advocate for land restoration who will:

- Respect the land, native plants, and habitat that The Land Conservancy is here to restore and enhance.
- Be proficient in handling equipment and safety conscious on the job site.
- Be willing to apply herbicides/chemicals as a part of daily job duties.
- Be able to work in remote areas with challenging terrain and to lift 50 lbs repeatedly.
- Be a self-motivated person that works well in a team environment.
- Be punctual and reliable.
- Have a valid Driver's License and will provide The Land Conservancy with a DMV report prior to being hired.
- Is willing and able to learn to distinguish between native/desirable species and weedy/invasive species.

There are five positions available. The pay rate is \$14.00/hr. Interviews are likely to occur the 1st week of October. This position is scheduled to begin on November 1st, 2010 and end April 29th, 2011. Actual duration of employment is subject to change.
